MINIMUM PURCHASE:

10 records

SMALL HOLE:

The designation "SMALL HOLE" after a listing indicates that the centre hole is the same size as 33 records. They are still 45 rpm records. Some small hole 45's can be punched out to regular size.

SHIPPING AND GUARANTEES:

All shipments are subject to shipping charges. This may include cost of any shipping supplies necessary. I will give you a total before you make any payment.

Records are guaranteed to be in at least VERY GOOD condition (see below). I have not had a chance to check these recordings all the way through. Labels may have stickers, writing or peeling.

**ALL RECORDS ARE SUBJECT TO REMOVAL EVEN THOUGH THEY ARE LISTED.**

Note about List # 2:

These records have not been checked at all. Any you are not happy with are refundable (excluding shipping)

IF ORDERING FROM MORE THAN ONE LIST, PLEASE KEEP THE LISTS SEPARATE AND IN ORDER THEY ARE LISTED.

I will credit refund any records you are not happy with if they are returned to me, however, shipping charges are not refundable.

INTERNATIONAL SHIPPING:

Due to theft, slow delivery, and non-delivery, international shipments will be sent by TRACKED MAIL only. This is more expensive, but is the only way I will ship now. SORRY, I DO NOT SHIP 78 RPM RECORDS.

PAYMENT:

Payment should be made by bank email transfer. Paypal is NOT accepted.

GRADING:

Most of the records would be graded as "VERY GOOD". Here is a widespread audiophile accepted definition of VERY GOOD:

*Vinyl may have noticeable scratches or scuffs that cause minor surface noise, but do not overpower the music. There will be no skips.*

Remember, these are USED records.
